

Kia Canada Announces Pricing for Refreshed 2019 Kia Sedona

- Design enhancements give the Sedona a bolder and more refined appearance
- 8-speed Sportmatic automatic transmission provides a more seamless drive
- Advanced technology like UVO Intelligence embedded telematics and Driver Attention Alert System makes Sedona more safe and connected to the driver than ever before

(TORONTO) May 30, 2018 - Kia Canada Inc. (KCI) today announced pricing for the 2019 Kia Sedona, which features a number of driving, design and technology enhancements and is now available in Kia dealerships across the country. Offered in seven trim levels (L, LX, LX+, SX, SX+, SXL, SXL+) the new 2019 Kia Sedona will start at just \$28,495.

“This enhanced 2019 Kia Sedona will provide Canadians with an elevated driving experience that improves their lives,” said Ted Lancaster, VP & COO, Kia Canada Inc. “With exceptional functionality, a more refined look, a new 8-speed transmission and advanced technologies like our UVO Intelligence, Kia is delivering a minivan that our customers will not be able to live without once they try it.”

The MSRP for the all-new 2019 Kia Sedona will be as follows, with further details attached and below.

• 2019 Kia Sedona L	\$28,495
• 2019 Kia Sedona LX	\$31,495
• 2019 Kia Sedona LX+	\$34,445
• 2019 Kia Sedona SX	\$38,065
• 2019 Kia Sedona SX+	\$39,065 (arriving later this summer)
• 2019 Kia Sedona SXL	\$43,065 (arriving later this summer)
• 2019 Kia Sedona SXL+	\$47,865 (arriving later this summer)

Enhancements to the 2019 Kia Sedona include:

- New 8-Speed Sportmatic automatic transmission, for a smoother feel on the road
- New UVO Intelligence embedded telematics, providing even more control from a smart phone
- New Wireless cell phone charging, providing convenient charging for smart phones
- New Standard 7” audio display with Android Auto & Apple CarPlay, providing control at your fingertips
- New Driver Attention Alert system for safer trips over long distances
- New Advanced Smart Cruise Control, with added traffic stop-and-go functionality.
- New front and rear bumper, providing a great finish to the front and rear end
- New radiator grille pattern, adding to the professional front end look
- New alloy wheels design and available LED headlights and fog lamps, providing better illumination when on the road
